Subject: Request for Extension on Assignment

Dear Professor ,

I hope you're doing well. I am writing to kindly request an extension on the assignment assigned, which is currently due on 30th March.

Due to a medical issue/personal emergency, I have been unable to devote sufficient time to the assignment, which I feel needs to be done with the utmost care to truly reflect my understanding of the subject.

I would be grateful if I could have an extension on the assignment until 4th of April. I assure you that this would in no way affect the quality of my submission, and I am more than happy to provide any documentation needed.

Thank you for your time and understanding.

Regards,

Vishnujith A Nair
